Basic Operational Guide to Media Equipment

Music 7

Using the Touch Screen Panel

Step 1: Start-up procedures
Press/touch the center button (UH Seal) on the touch screen.

Volume Control

Press to mute projected image
Press to mute audio
Press to turn on microphone input on Auxiliary Panel
Press to resize and center projected image on screen

Step 2: Turn on equipment
While waiting for the projector to warm up, turn on the equipment you want to show through the projector. The following media are available in this classroom:

- Blu-ray/DVD/VHS Video Player (located in cabinet below)
- Document Camera (located on desktop)
- Macintosh Computer (located in cabinet below)

External devices such as laptop computers and other video/audio equipment may be connected through:

- VGA Cable (located on shelf)
- Auxiliary Panels (located left of the touch screen or in cabinet below)

Step 3: Select media
When the menu screen appears, select the type of media equipment you will be using.

The media equipment in this classroom has been provided by the Center for Instructional Support. Call 956-8075 for any questions, problems, or concerns. Visit our website at: http://www.cis.hawaii.edu.
Step 4: Close-down procedures
Press/touch the red “System Off” button located in the lower right-hand corner of the touch screen.

On the next screen, Press/touch the green “YES” button to turn off the projector. Turn-off all media equipment.

You can control the Blu-ray/DVD/VHS Combo Player through the touch screen. The following controls will appear after you select the media you are using.
