Basic Operational Guide to Media Equipment
Sakamaki B104

Using the Touch Screen Panel

**Step 1: Start-up procedures**
Press/touch the **center button (UH Seal)** on the touch screen.

**Step 2: Turn on equipment**
While waiting for the projector to warm up, turn on the equipment you want to show through the projector. The following media are available in this classroom:

- **DVD/VHS Video Player** (located in cabinet below)
- **Document Camera** (located on desktop)
- **PC Computer** (located in cabinet below)

External devices such as laptop computers and other video/audio equipment may be connected through:

- **VGA Cable** (located on shelf)
- **Auxiliary Panels** (located left of the touch screen or in cabinet below)

**Step 3: Select media**
When the menu screen appears, select the type of media equipment you will be using.

---

The media equipment in this classroom has been provided by the **Center for Instructional Support**. Call **956-8075** for any questions, problems, or concerns. Visit our website at: **http://www.cis.hawaii.edu**.
Step 4: Close-down procedures
Press/touch the **red “System Off” button** located in the lower right-hand corner of the touch screen.

On the next screen, Press/touch the **green “YES” button** to turn off the projector. Turn-off all media equipment.

---

**You can control the DVD/VHS Combo Player through the touch screen. The following controls will appear after you select the media you are using.**

**For playing VHS Videotapes:**

- Rewind
- Play
- Fast forward
- Pause
- Stop

Press “Full Screen VHS” if you would like to view the image being projected on the touch screen with the set of controls.

**For playing DVD discs:**

- Rewind
- Play
- Fast forward
- Previous chapter
- Next chapter
- Pause
- Stop

Press “Full Screen DVD” if you would like to view the image being projected on the touch screen with the set of controls.
