Step 1: Start-up procedures
Press/touch the center button (UH Seal) on the touch screen.

Step 2: Turn on equipment
While waiting for the projector to warm up, turn on the equipment you want to show through the projector. The following media are available in this classroom:

- **Blu-ray/DVD/VHS Video Player** (located in cabinet below)
- **Document Camera** (located on desktop)
- **PC Computer** (located in cabinet below)

External devices such as laptop computers and other video/audio equipment may be connected through:

- **VGA Cable** (located on shelf)
- **Auxiliary Panels** (located left of the touch screen or in cabinet below)

Step 3: Select media
When the menu screen appears, select the type of media equipment you will be using.
**Step 4: Close-down procedures**
Press/touch the red “System Off” button located in the lower right-hand corner of the touch screen.

On the next screen, Press/touch the green “YES” button to turn off the projector. Turn-off all media equipment.

---

You can control the Blu-ray/DVD/VHS Combo Player through the touch screen. The following controls will appear after you select the media you are using.

**For playing VHS Videotapes:**

- Rewind
- Play
- Fast forward
- Pause
- Stop

Press “Full Screen VHS” if you would like to view the image being projected on the touch screen with the set of controls.

**For playing Blu-ray and DVD discs:**

- Rewind
- Play
- Fast forward
- Next chapter
- Previous chapter
- Pause
- Stop

Press “Full Screen Blu-ray” if you would like to view the image being projected on the touch screen with the set of controls.
